

THE SERGEANT MAJOR OF THE MARINE CORPS

Marines,

I would like to take this opportunity to invite you to visit the Marine Corps Credentialing Opportunities On-Line (COOL) website <http://www.cool.navy.mil/usmc>. This website provides our enlisted Marines an avenue to gain civilian credentials that are aligned with their Military Occupational Specialty (MOS).

The Marine Corps will fund examination and annual maintenance fees for enlisted Marines to earn civilian/industry credentials; which are closely aligned with their MOS.

More than 1,500 civilian/industry occupation credentials are currently eligible for funding. Credentials have been matched to every MOS, and displayed on the Marine Corps COOL website.

Every Marine is strongly encouraged to take advantage of this great opportunity for enhanced professional development. In addition, Marine leaders should ensure that information about the Marine Corps COOL Program is publicized throughout their commands.

For more information on the Marine Corps COOL Program, contact the Marine Corps Credentials Program office at (850) 452-6337 or email: usmccool@navy.mil.

Semper Fidelis,

RONALD L. GREEN
18th Sergeant Major of the Marine Corps
